Blue Shock impact bit holder

Art.	Size	X	OAL
BH-060-BLU	1/4"	X	2-1/2"

- Up to 12x the life of standard bits.
- High quality German steel.
- Resists violent impacts.
- Rustproof blue finish.
- 1/4" Hex impact shank.

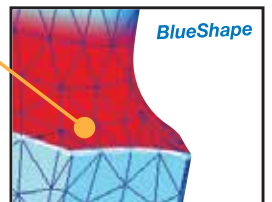

Perfectly fits screw head to avoid slipping and damaging the head.

Strong ring reinforces the head for long durability.

Elongated torsion zone resisting high torque and violent impacts.

Flex zone is reinforced on each side for stronger link in torsion zone.

Blue Shock bit

Standard bit
